

Management Accountant

ROLE PURPOSE

The role is to manage all aspects of financial management of the non-UK entities of our growing international group. The role will be required to manage an expanding portfolio of 12+ non-UK entities across EMEA and APAC. The role will report to the Finance Manager and will require infrequent travel to London.

KEY RESPONSIBILITIES

- **New deals in new territories:** work with our in-house compliance team as well as external in-country advisors to put systems and processes in place for new entities in new territories. Ensuring the new deals are successfully on-boarded and operational from a finance perspective.
- **Ongoing financial management:** taking overall financial responsibility for 12+ small international entities including performing the month-end close for each through to P&L review, Balance Sheet reconciliation, payroll review as well as budgeting & reforecasting. This will be achieved by working with the internal finance team and external in-country accountants.
- **Cash management:** managing cash for each of the entities, ensuring cash is flowing in from customers when due and funding needs are highlighted to the group.
- **Compliance:** working with our compliance team, advisors and auditors to ensure that all financial accounting, audit and tax compliance is done as required.
- **Continual improvement:** continually improve systems, controls, processes, Excel files and models to ensure that our international expansion continues in a controlled and scalable manner.

BACKGROUND AND EXPERIENCE

- Qualified Accountant with post qualification experience working in a dynamic finance team within a rapidly growing international business, where change is rapid, and deadlines are tight.
- The candidate will be technically strong and will have had exposure to accounting for foreign entities. Strong excel and financial modelling.
- Good understanding of maintaining finance systems and creating and following consistent processes. Excellent communication skills required and must be able to manage various workstreams.
- The role may also suit a talented individual looking to move into industry from a large accounting firm with experience of accounting for multiple client entities.

KEY SKILLS AND COMPETENCIES

This role involves having the following key skills and competencies, namely:

- Technically strong with attention to detail and high-quality standards
